

90315 Spare Part Number

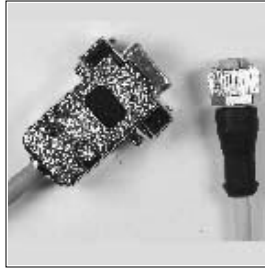

Description:
Cycle Cable 15' with metal DB9 connector

Plastrac Label# 54401

Prior Number _____

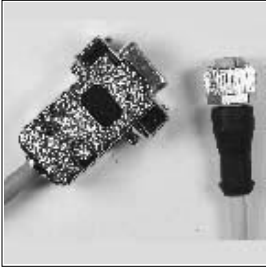

90406 Spare Part Number

Description:
Ultrasonic Sensor Cable Assembly 2m (6'),
with DB9F attached

Prior Number 70609

90423 Spare Part Number

Description:
Ultrasonic Sensor Cable Assembly 7m
(23'), with DB9F attached

Prior Number 70610

90604 Spare Part Number

Description:
4' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

90606 Spare Part Number

Description:
6' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

90608 Spare Part Number

Description:
8' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

90615 Spare Part Number

Description:
15' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

90620 Spare Part Number

Description:
20' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

90630 Spare Part Number

Description:
30' Black Power Cable with black circular
Male-Female connectors

Prior Number _____

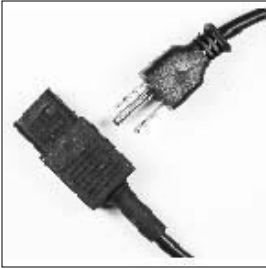

90907 Spare Part Number

Description:
Programming Cable Assembly

Prior Number _____

90910 Spare Part Number

Description:
10' Power Cable with NEMA Plug and IEC 320 Plug

Prior Number _____

91103 Spare Part Number

Description:
3.5' Feeder Control Cable

Prior Number _____

91108 Spare Part Number

Description:
8' Feeder Control Cable

Prior Number _____

91115 Spare Part Number

Description:
15' Feeder Control Cable

Prior Number _____

91125 Spare Part Number

Description:
25' Feeder Control Cable

Prior Number _____

91203 Spare Part Number

Description:
3.5' Feeder Motor Cable Assembly

Prior Number _____

91208 Spare Part Number

Description:
8' Feeder Motor Cable

Prior Number _____

91215 Spare Part Number

Description:
15' Feeder Motor Cable

Prior Number _____

91225 Spare Part Number

Description:
25' Feeder Motor Cable

Prior Number _____

91315 Spare Part Number

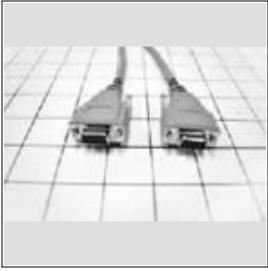

Description:
Cycle Input Cable Assembly (molded type, 15 feet long)

Plastrac Label# 54402

Prior Number _____

91404 Spare Part Number

Description:
4' Loader Control Cable

Prior Number _____

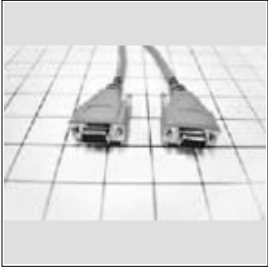

91406 Spare Part Number

Description:
6' Loader Control Cable

Prior Number _____

91409 Spare Part Number

Description:
9' Loader Control Cable

Prior Number _____

91411 Spare Part Number

Description:
11' Loader Control Cable

Prior Number _____

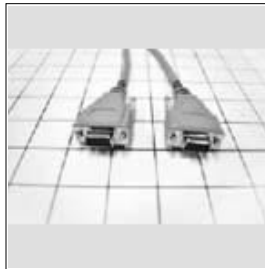

91416 Spare Part Number

Description:
16' Loader Control Cable

Prior Number _____

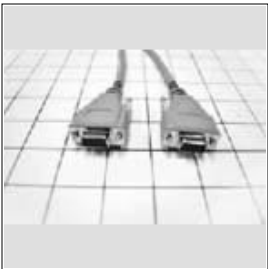

91420 Spare Part Number

Description:
20' Loader Control Cable

Prior Number _____

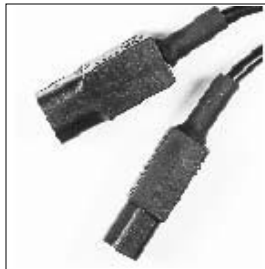

91430 Spare Part Number

Description:
30' Loader Control Cable

Prior Number _____

91604 Spare Part Number

Description:
4' Loader Power Cable Assembly with IEC Connectors

Prior Number _____

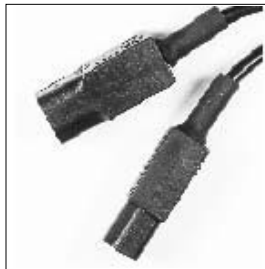

91608 Spare Part Number

Description:
8' Loader Power Cable Assembly with IEC Connectors

Prior Number _____

91615 Spare Part Number

Description:
15' Loader Power Cable Assembly with IEC Connectors

Prior Number _____

91625

Spare Part Number

Description:

25' Loader Power Cable Assembly with IEC Connectors

Prior Number _____

91900

Spare Part Number

Description:

Encoder Cable, spare part

Prior Number 90900
